

104TH CONGRESS  
2D SESSION

**S. 1467**

---

**AMENDMENT**

---

***In the House of Representatives, U. S.,***

*September 4, 1996.*

*Resolved*, That the bill from the Senate (S. 1467) entitled “An Act to authorize the construction of the Fort Peck Rural County Water Supply System, to authorize assistance to the Fort Peck Rural County Water District, Inc., a non-profit corporation, for the planning, design, and construction of the water supply system, and for other purposes”, do pass with the following

**AMENDMENT:**

Strike out all after the enacting clause, and insert:

1   **SECTION 1. SHORT TITLE.**

2       *This Act may be cited as the “Fort Peck Rural County  
3       Water Supply System Act of 1996”.*

4   **SEC. 2. DEFINITIONS.**

5       *For the purposes of this Act:*

6           (1) *CONSTRUCTION.—The term “construction”  
7       means such activities associated with the actual devel-  
8       opment or construction of facilities as are initiated  
9       on execution of contracts for construction.*

10          (2) *DISTRICT.—The term “District” means the  
11       Fort Peck Rural County Water District, Inc., a non-  
12       profit corporation in Montana.*

13          (3) *FEASIBILITY STUDY.—The term “feasibility  
14       study” means the study entitled “Final Engineering  
15       Report and Alternative Evaluation for the Fort Peck  
16       Rural County Water District”, dated September 1994.*

17          (4) *PLANNING.—The term “planning” means ac-  
18       tivities such as data collection, evaluation, design,  
19       and other associated preconstruction activities re-  
20       quired prior to the execution of contracts for construc-  
21       tion.*

22          (5) *SECRETARY.—The term “Secretary” means  
23       the Secretary of the Interior.*

24          (6) *WATER SUPPLY SYSTEM.—The term “water  
25       supply system” means the Fort Peck Rural County*

1        Water Supply System, to be established and operated  
2        substantially in accordance with the feasibility study.

3        **SEC. 3. FEDERAL ASSISTANCE FOR WATER SUPPLY SYSTEM.**

4        (a) *IN GENERAL.*—Upon request of the District, the  
5        Secretary shall enter into a cooperative agreement with the  
6        District for the planning, design, and construction by the  
7        District of the water supply system. Title to this project  
8        shall remain in the name of the District.

9        (b) *SERVICE AREA.*—The water supply system shall  
10      provide for safe and adequate rural water supplies under  
11      the jurisdiction of the District in Valley County, north-  
12      eastern Montana (as described in the feasibility study).

13      (c) *AMOUNT OF FEDERAL CONTRIBUTION.*—

14        (1) *IN GENERAL.*—Subject to paragraph (3),  
15        under the cooperative agreement, the Secretary shall  
16        pay the Federal share of—

17                (A) costs associated with the planning, de-  
18                sign, and construction of the water supply sys-  
19                tem (as identified in the feasibility study); and  
20                (B) such sums as are necessary to defray  
21                increases in the budget.

22        (2) *FEDERAL SHARE.*—The Federal share re-  
23        ferred to in paragraph (1) shall be 75 percent and  
24        shall not be reimbursable.

1                   (3) *TOTAL.*—*The amount of Federal funds made*  
2                   *available under the cooperative agreement shall not*  
3                   *exceed the amount of funds authorized to be appro-*  
4                   *priated under section 4.*

5                   (4) *LIMITATIONS.*—*Not more than 5 percent of*  
6                   *the amount of Federal funds made available to the*  
7                   *Secretary under section 4 may be used by the Sec-*  
8                   *retary for activities associated with—*

9                   (A) *compliance with the National Environ-*  
10                  *mental Policy Act of 1969 (42 U.S.C. 4321 et*  
11                  *seq.); and*

12                  (B) *oversight of the planning, design, and*  
13                  *construction by the District of the water supply*  
14                  *system.*

15 **SEC. 4. AUTHORIZATION OF APPROPRIATIONS.**

16                  *There are authorized to be appropriated to carry out*  
17                  *this Act \$5,800,000. This authorization shall terminate*  
18                  *after a period of 5 complete fiscal years after the date of*  
19                  *enactment of this Act unless the Congress has appropriated*  
20                  *funds for the construction purposes of this Act. This author-*  
21                  *ization shall be extended 1 additional year if the Secretary*  
22                  *has requested such appropriation. The funds authorized to*  
23                  *be appropriated may be increased or decreased by such*  
24                  *amounts as are justified by reason of ordinary fluctuations*  
25                  *in development costs incurred after October 1, 1994, as in-*

1 dicated by engineering cost indices applicable to the type  
2 of construction project authorized under this Act. All costs  
3 which exceed the amounts authorized by this Act, including  
4 costs associated with the ongoing energy needs, operation,  
5 and maintenance of this project shall remain the respon-  
6 sibility of the District.

7 **SEC. 5. CACHUMA PROJECT, BRADBURY DAM, CALIFORNIA.**

8 The prohibition against obligating funds for construc-  
9 tion until 60 days from the date that the Secretary of the  
10 Interior transmits a report to the Congress in accordance  
11 with section 5 of the Reclamation Safety of the Reclamation  
12 Safety of Dams Act of 1978 (43 U.S.C. 509) is waived for  
13 the Cachuma Project, Bradbury Dam, California.

Attest:

*Clerk.*
